Dear Parents,

As you are likely aware by now, in order to combat the spread of the COVID19 virus, the NM Public Education Department has decided to close schools statewide for three weeks beginning Monday, March 16th to April 6th. While we are not legally bound this decree, the board has elected to follow the local public schools.

Spring break is March 16-20. Beginning Monday, March 23, the school will be closed; however, secondary students will continue school work online using Google Classroom and any texts the teachers send home. The elementary teachers will also be sending work home—especially math and reading—to keep students from falling behind. Please contact the office or your child's teacher if you have questions.

Tamera will be in the office during the closure, March 23 – April 6. Feel free to contact her if you need technical support or help contacting a teacher.

We will keep you updated via Remind and Facebook as we gain more information.

Remember above all things that God is control and He has not given us a spirit of fear, but of power, and of love, and of a sound mind (2 Timothy 1:7). May you have a blessed break!

Dea Gros
